NOTICE OF CORRECTION OF INVENTORSHIP UNDER 37 C.F.R. § 1.48

Assistant Commissioner for Patents
Washington, D.C. 20231

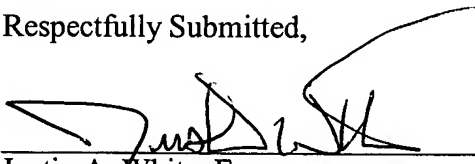

Sir:

Notice is hereby provided that the inventorship as set forth in this application and accompanying papers as filed was in error, as John Macpherson is not an inventor for this application. The actual inventorship for this application consists of Douglas Allard as sole inventor. A Declaration under 37 C.F.R. § 1.63 naming only Douglas Allard as inventor accompanies this Notice. Under 37 C.F.R. § 1.48(f)(1), it is believed that this Declaration automatically operates to correct the erroneous earlier identification of inventorship. Should a request to correct inventorship be deemed required nevertheless, then such request is hereby made. As a result of this correction, all other papers from this date forward shall be designated as "In re Application of: Douglas ALLARD."

It is believed that no fees are due in connection with this Notice. Should any such fee be required, however, the Assistant Commissioner is authorized to deduct said fee from Deposit

Account No. 08-3038, referencing Docket No. 11533.0024.NPUS00. If additional information is required, or there are any questions or matters that may be resolved or clarified through telephone interview, the undersigned attorney may be contacted at the number listed below.
